List of Registered Ontario-Breds Thoroughbreds 2009 Foaling Year Revised as at May 22, 2014

The 2009 foals of the following mares have been recognized by the Canadian Thoroughbred Horse Society (Ontario Division) (CTHS), based on approval of the mares by the Thoroughbred Improvement Program (TIP) where those mares are considered recognized Ontario Resident Mares for the 2009 foaling year.

In order for a horse to be declared a Registered Ontario-Bred and to receive the Ontario-Bred benefits under TIP:

- 1) The horse's dam must have met all the requirements of the program and be accepted by the Program Administrator (ORC) (Added to the List of Recognized Mares), and
- 2) The horse must be registered with the CTHS.

Total = 1266 foals
