

2019 Live Foal Program for Ontario Breeders

March 20, 2020

Dear Breeders:

The CTHS is pleased to announce that once again, through Enhanced HIP funding, payments will be sent out shortly for the Ontario Live Foal Program. These payments will further incent and assist those within the province who have had live foals in 2019.

This immediate payment meets with our mandate of aiming to ensure a viable future for our members.

We are committed to you, our members, and are pleased to be distributing \$325 per reported 2019 live foal. This amount is based on live foals reported as at March 12, 2020.

Please note: Due to the timing of these payments and the term of the EHIP contract the amount of the payment per foal is being made based on 2019 live foals reported as of March 12, 2020. The total funding available for this Program is \$274,000 CDN and we are advising you that if any of your 2019 foals were not reported by March 12, 2020, they will be paid out on a "first come, first serve" basis until March 31, 2020.

We wish you the best of success as you continue to invest in the Ontario Thoroughbred Industry!
