Interested purchasers can simply go to the Sales Results page and click on Submit a Bid for the horse(s) they are interested in purchasing. This will send an email to both the consignor and the CTHS advising them of their interest. It will then be left up to the consignor and the purchaser to negotiate. If a post sale agreement is finalized the parties must move forward through the CTHS Sales office.

**A consignor must have an email address to participate in this program. All consignors are included unless the CTHS is otherwise notified. Please make sure your email addresses are registered with the CTHS Office.** Any post sale transactions will not be posted on the Sales Results but in a separate list on the website only with the express permission of the consignor and the purchaser.

## **CONSIGNOR**
