

THREE BREEDS. ONE VISION.

A Call To Action!
A Guide To Having Our Voices Heard

A Call To Action!

Ontario horse persons, the time is now to have our voices heard! We need a strong and cohesive voice to ensure our elected officials hear our case.

We need to let our Members of Provincial Parliament (MPP) know the facts about our great horse racing industry:

- Horse racing in Ontario supports +30,000 direct and indirect jobs
- We have operated safely for 7 months with enhanced safety protocols
- Horse racing provides millions in tax revenue to the Province through Pari-Mutuel taxes
- We are requesting a fair and equitable process when determining which professional sports can operate in Ontario under lockdown conditions

What Can You Do?

- Get Involved by contacting your local MPP(s) and make them aware that you support the horse racing industry and want to see horse racing resume safely in Ontario!

How Can My Voice Be Heard?

Ontario Racing and your fellow industry partners are encouraging you to contact your local MPP(s) in writing to voice your concerns!
